Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 28 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A sunny start, turning wetter and cloudier from the west.

Today:
Some sunny spells to start, but soon turning cloudier, wetter and windier from the west through the morning. The rain will be heavy at times and will gradually clear eastwards with sunny spells and scattered showers following. Maximum temperature 17 deg C (63 deg F).

Tonight:
The rain will clear eastwards through the evening to leave a mostly dry night with clear spells and the odd shower in the west. Minimum temperature 9 deg C (48 deg F).

Wednesday:
A mixture of sunny spells and scattered showers on Wednesday. Showers becoming fewer and further between for the afternoon. Feeling cool. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Staying changeable through the outlook with spells of rain and strong winds interspersed with sunny spells and scattered showers.
